LOST TWO GAMES

Perrysburg Defeated By Overlands
No. 2 and Chippewa Indians.

In a slow uninteresting game Perrysburg was defeated Sunday by the score of 8 to 6 by the Overlands No. 2 of Toledo.

The outfielders of both teams played fairly good ball, but the infielders made many costly errors of the rank-and-file kind, when errors meant runs for the visiting team.

Much kicking was made as usual on the work of Smith who acted as umpire for no matter who the umpire is there are a few sore heads who always want to knock.

MONEY WANTED

To Defray Expenses of Decorating
Town During Perry Centennial.

To the Citizens of Perrysburg and Vicinity:
The Perry Centennial is now being celebrated by the cities along the chain of lakes.

Perry's flagship, the Niagara, has been raised from the bottom of the lake, where it has reposed undisturbed for one hundred years.

We are now in the midst of a peaceful celebration commemorating Perry's naval victory, as well as that of his brave allies at Ft. Meigs.

The rebuilt and equipped flagship will in a few days be moored at the Toledo dock for your inspection.

Thursday, July 31st, has been specially reserved for the celebration at Ft. Meigs.

Our town, "Perrysburg," named after "Perry," the hero of these stirring events, should be up and doing, fully alive to her responsibility and duty, proud of her name and location.

To do our part we must provide funds. Our neighboring town of Maumee has joined hands with us in this celebration, and they have already contributed their portion.

The Finance Committee of the Perrysburg Civic Association has been delegated to procure the necessary means. This committee consists of Messrs. R. R. Hartshorn, N. L. Hansen, C. J. Schneider, Fred Rossbach, Frank Hollenbeck, C. P. Campney, Lewis Shipman, Art Thornton, T. R. Shimon, David Main and T. M. Franey.

Any member of the committee will receive contributions and receipt for same.

These funds are to be used to defray our portion of the expense at Ft. Meigs, for town decorations and necessary expenses incurred by the local association.

This will be a memorable occasion, of great significance and patriotic education, and should arouse our patriotism and love of country, and especially of our own town.

This is our celebration—ours to make successful. Let us be generous according to our means, and enjoy the satisfaction of a noble duty well performed.

Finance Committee,
Perrysburg Civic Association,
T. M. FRANEY,
Chairman.

SCHOOL OF HORSEMANSHIP.

Dayton, O., July 24.—Ten thousand men and women are expected to take part in the most unique school sessions ever conducted in the United States, at the fair grounds here, August 12 to 16, when "horsemanship" will be studied from all angles.

Ten thousand students of the Beery School of Horsemanship, only institution of the kind in the world, will gather in reunion.

No effort is expended in the development of speed in animals. Service only is the goal.

"Every kind of a horse, even the man-eating animal in its wildest state, can be rendered docile and driveable by a five year old child in a short time," said Prof. Beery today. "Kindness must be the basis of the treatment. 'The use of a word, look or spoken word two seconds before or three seconds late, is as fatal to the nature of a horse as whipping an animal in the barn for something he did in the field three hours before.'"

DEATH OF ANDREW J. OVITT.

Andrew J. Ovitt, aged 63 years, died at his home three miles north of Haskins Friday evening after an illness of several months of tubercular trouble. The funeral was held Tuesday afternoon at 2 o'clock with burial at the Waterville cemetery. Rev. McKay of the First Presbyterian church of Toledo officiated.

He is survived by his wife, one son, John, living at home, and a daughter, Mrs. Daisy Gerberding, of Chicago, Ill.

PERRY CENTENNIAL

Will Be Celebrated at Perrysburg
and Ft. Meigs Next Thursday.

Perrysburg and Wood county and the sister city of Maumee are prominently featured in the Maumee Valley plans for the celebration of the Perry Centennial. The ceremonies open at Toledo on Sunday, July 27th, continuing there the forepart of the week, and on Thursday the scene of the celebration shifts to Perrysburg and old Fort Meigs.

There is much to interest and attract Perrysburg people who journey to Toledo July 27 to 30, but the 31st, Thursday is this town's one big day in the Centennial. The program has been prepared in a general way and only details await the attention of the committees in charge. The up-river celebration is in charge of the Maumee Valley Pioneer and Historical Association, and committees representing Maumee and Perrysburg. In their work these committees have the assistance and co-operation of the Toledo Perry Victory Centennial Commission.

Sunrise salutes will be thundered from both Ft. Miami and Ft. Meigs on the morning of the 31st and from that time until late at night there will be something doing nearly every minute in and around Perrysburg. Gun squads from Battery B, First Ohio Artillery of Toledo have been detailed for the firing of sunrise and sunset salutes, and the 17 guns which will greet the Governor's party.

The yacht "Jessamine," flagship of Commodore S. O. Richardson, of Toledo, will bring Governor Cox and the members of the Toledo Committee to Perrysburg. Ft. Meigs will echo with the boom of artillery as the governor's yacht approaches. Landing will be made at Perrysburg while school children sing and the party will immediately enter autos for the ride to historic ground. Ft. Miami on the Maumee side of the river will be visited and the governor will walk around the site of brave General Proctor's camp. A short address is scheduled and if time can be found a visit to Mad Anthony Wayne's old camp ground will be included.

Return will be made to Ft. Meigs in time for dinner, after which comes a program of speeches and music. Judge John H. Doyle of Toledo is to preside as chairman. Governor Cox and such governors as accept the invitation of the historical society will deliver addresses. Patriotic songs by the school children and music by the Newsboys Band of Toledo are featured on the afternoon's program.

It is the plan of the committee to mark all historic spots with pennants, and after the basket picnic of the visitors all may tour the fort and study the scene of epoch making events that preceded the naval victory of Commodore Perry.

Residents of both Perrysburg and Maumee are urged to decorate their homes and places of business for the occasion. Such expense as is attached to the work of the citizens committee, will be met by public subscription, to which up-river business men are urged to respond. Toledo is raising funds by popular subscription to defray the cost of its own celebration, and will endeavor to help out the up-river committees with a contribution.

The Centennial opens at Toledo at about noon on Sunday, the 27th. At that hour the Niagara will sail up the Maumee escorted by Federal gunboats, Naval Reserve ships, Revenue Cutters, and several hundred decorated yachts. Upon her arrival at the Jefferson Avenue wharf the blue jackets come ashore for the big civic and military land parade. The procession moves over the principal downtown streets to the peace meeting and religious exercises at Court House Park.

The land parade will start at about 3:30 p. m. In the line of march will be Col. Bryant's Second Regiment of Infantry, 700 men headed by mounted staff and band. These soldiers come from Ada, Hicksville, Spencerville, Sycamore, Kenton, Defiance, Findlay, Ill.

SUMMER STREET FESTIVAL

A Three Ring Circus Open At Both
Ends With Music, Bright
Lights and Great Joy.

Arrangements are complete
for a Grand Entertainment,
Novel in Character, insuring
a good time for all. Don't
forget the Date and Place.

The people of Perrysburg and vicinity will find the Civic Street Festival at Perrysburg, Saturday evening, July 26, to be a regular three-ring circus open at both ends, with the blue canopy of heaven for a cover.

There will be music galore. One big brass band will give an excellent program during the evening, while a band of minstrels will intersperse the program with old time jubilee songs and jokes.

There will be illuminations and decorations, pretty women in their glad gowns, men with their glad smiles, and everybody with the glad hand for neighbors and visitors.

There will be ice cream and cake served to everybody who may desire.

The ladies of the village, realizing the necessity of co-operation for the general good of all, have kindly agreed to take charge of the ice cream and cake and have set a fine example of generosity by donating all the cakes required.

The popcorn and peanut vendors will serve the choicest brands of these delights of the circus.

An Indian seeress will pitch her wigwam on the grounds and will read the future of her visitors as told by the stars.

The best of order will be "preserved" (or canned) by a special police force well uniformed and properly empowered with authority and nerve to see that all the special laws governing the Festival are properly observed, and all offenders will be promptly haled into Police Court for immediate trial and sentence.

The entire evening will be devoted to pleasure and entertainment for the people of the village and the surrounding country, where everybody is expected to be present and participate in the pleasure and extend a cordial welcome to neighbors, friends and strangers.

It will be a "get together" meeting, when everybody will show himself in his most agreeable manner, and try to make his neighbors and friends and their friends' friends feel that Perrysburg is bubbling over with good will for everybody else.

It is written that YOU must come out and mingle with the throng.

DECORATE YOUR HOME. MAYOR'S PROCLAMATION

Do you know that on Thursday, July 31, there will be a gathering at Fort Meigs, the like of which has never before been witnessed?

Do you know that in all probability twenty-five thousand people will be here on that occasion?

Do you know that the governors of several states will land here from the yacht "Jessamine," at 10 a. m., to the boom of cannon, the playing of bands, and the singing of songs by 200 school children?

Do you know that this is to be THE day of the Perry Centennial Celebration here in the Maumee Valley?

Do you know that every place of business and every residence is expected to be decorated on that day with flags and bunting?

Then we appeal to the pride and patriotism of all to help us to carry out the above plan.

Be a committee of one to decorate your store, your shop and your homes, and while the bands play and the cannons boom, let the flags, waving to the breeze, be the emblems and the sign of the measure of our devotion to country, and the world will know that "The star-spangled banner still waves o'er the home of the brave and the land of the free."

Eggs Best "Grouch" Cure.

Fish may make you brainy, but it's eggs that make you amiable, at least if we can believe the claims made for this particular article of food by a German scientist of note.

"Cranks, grouches, nervous wrecks of all kinds, should eat all the eggs they can possibly digest," says Prof. Stiegletz. "Eggs are the best thing in the world for those whose ill tempers make themselves and every one around them uncomfortable. They should be soft boiled preferably and eaten four times a day for four weeks on a stretch. Then the diet should be stopped and not commenced again for four or even six weeks."

And though no mention is made of whether Eastern eggs in particular have any more healthful and cheerful effect than ordinary eggs taken at ordinary times, isn't it always true that "the better the day, the better the deed?"

Can't look well, eat well, or feel well with impure blood. Keep the blood pure with Burdock Blood Bitters. Eat simply, take exercise, keep clean, and good health is pretty sure to follow. \$1.00 a bottle.—Advertisement.

Thursday, July 31, being the day designated by the committees of arrangement for the Perry Celebration at Ft. Meigs, and in view of the fact that this day will see thousands of visitors in our City; Therefore, I as Mayor of Perrysburg, do sincerely request that all citizens join together in making our village neat and clean, that all lawns be mowed, and above all that each home be decorated with flags and in such other ways as will show our pride and patriotism especially upon this day of the general celebration of One Hundred Years of Peace in this, our great country.

Given under my hand and Seal this 23d day of July 1913
E. L. CLAY, Mayor.
